## The misconception of :

### . The prohibition of Non-Muslims from Mecca

Christians considered the restriction of forbidding non-Muslims to access Makkah or AlMadinah is unfair, arrogance, insult and contempt of human beings, also it shows disrespect to the other religions. On the other hand, Muslims are allowed to live freely in the Vatican

The following points will serve to elucidate the reasons behind such a restriction.

According to surah altawba (chapter in the holy -1 book Quran) they're absolute ban to access these cites because they aren't monotheistic and they associate partners with God beside their corrupted belief.

As the verse says: "O you who believe (in Allah's Oneness and in His Messenger (Muhammad SAW)! Verily, the Mushrikun (polytheists, pagans, idolaters, disbelievers in the Oneness of Allah, and in the Message of Muhammad SAW) are Najasun (impure). So let them not come near Al-Masjid-al-Haram (at Makkah) after this year, and if you fear poverty, Allah will enrich you if He will, out of His ".Bounty. Surely, Allah is All-Knowing, All-Wise

So quran clearly said that disbelievers (non-Muslims) are impure according to their attitudes therefore they can not enter Makkah or Madinah . until they be pure by being Muslim (monotheistic)

Whenever a person travels to a foreign country -2  
he has to apply for a visa i.e. the permission to  
enter that country. And every country has its own  
rules, regulations and requirements for issuing a  
visa. however the visa to enter Makkah is to say  
the testimony (I bear witness that there is no God  
worthy of worship but Allah, and Muhammad is his  
final messenger.) As simple as that, otherwise you  
.can't enter

Actually Makkah is a holy place where Muslims -3  
go to perform their rituals over the year so it isn't a  
.tourist resort

If the bible decreed something they would be -4  
committed to fulfill it. And I think Muslims would  
never complain about it, unless they contradict the  
.Islamic laws

They already despise Al-Kaaba by saying that -5  
Muslims are pagans who worship a black box in the  
! desert

Finally they're argues that God exists -6  
everywhere so why He has to be in the center (   
?Makkah)

: Here is the clear answer

God has knowledge of everything but is not physically everywhere. Allah (the God) is above the heavens, separate from the creation but among His creation by His Hearing, His Seeing ,and His .Knowledge

Muslims all over the world pray to the same direction because they believe in the unity of Muslims' community and they believe in Allah. Therefore, all these meanings are expressed .through pointing their face towards Al-Kaabah

So the simple reason we pray facing towards Makkah is because it is the command of Allah, our .Creator, Whom we worship
